

# SPEAKEASY CARDS

**CARDS, V.7 "SEXY"**  
**CUTTHESMALLTALK.COM/CARDS**

These cards were created after so many evenings of discussing the same work, travel, and shopping topics with friends -- they invite conversations that are taboo but likely important to us.

We've been testing and iterating these questions at **Curious Dinners** (discussions about taboo, crucial topics like sex, death, affairs, money, stereotypes, imposter syndrome, unproductive days), **Sex Geeks** (sex-positive community), and **social gatherings of friends and peers**.

It seems that what we want is **an invitation, excuse, opportunity, or permission** to dive directly into the topics that interest us! Otherwise, we (strategically) go with topics that are the safest.

These cards might nudge us towards armchair philosophy, personal reflection, or hilarious and nostalgic stories.

They might be permission to tackle tough conversations, or explore peculiar and creative ideas!

They are a place to start.

*(24 "sex-related" cut the small talk questions, giving people the option for deeper, tougher specifics.)
